New Ground celebrates 25 years of breaking the cycle of homelessness and poverty for families and Veterans on Long Island. What started as a few sisters providing a home to refugees from war-torn Central America in the late 80s, has now become a unique organization helping hundreds of Long Island’s homeless. Early on, the sisters realized the magnitude of Long Island’s homelessness and in order to have successful outcomes they needed to combine the disciplines of education and social work. The program designed became New Ground.

Three Ursuline Sisters, Sr. Máiréad Barrett, founder, along with the late Sr. Mary Schramm, Sr. Catherine Talia and two Sisters from other congregations, created a home where those in need could find refuge. Five years later, in 1991, New Ground was founded. Over the years, several Ursuline Sisters have ministered to New Ground clients. Sr. Geraldine Conklin and Sr. Joan of Arc Spelman tutored both children and adults in English and reading. Sr. Valerie Heinonen and the late Sr. Eileen Gallagher served on the Board of Directors at New Ground’s inception.

Today, New Ground provides education and social work services to homeless families and Veterans, by empowering them to sustain themselves. Through several programs, New Ground strives to provide affordable, low-income housing as well as educational, vocational and mental health support. Adults in New Ground’s program received benefit from educational and social work services. New Ground assesses each individual and addresses issues preventing them from achieving independence, working to eliminate them one by one. An individualized goal-oriented program is created and tracked with the help of New Ground social workers. Program participants are assisted with returning to school to obtain GEDs, Associate degrees, Bachelor degrees, and/or vocational training to increase their earning potential. Parents receive guidance with financial education and budgeting, parenting skills, nutritional, medical and mental health challenges.

In order to break the cycle for the following generation, New Ground makes advocating for children’s education a priority. All children are assessed and provided with tutoring based on the child’s individual needs. Children are also assessed psychologically if needed. This guarantees success in school and provides the opportunity to reach their full potential. New Ground also works to meet the social needs of children through their “Special Memories Program.” This program helps families celebrate holidays, create a positive atmosphere in the home and even gives each child an opportunity to attend summer camp.

The Ursuline Sisters and Associates of Tildonk strive to make God known and loved. We make a difference in society through the witness of our life profoundly rooted in God; a life of simplicity, harmony, mutuality and hospitality. (Mission Statement)

Dear Friends and Supporters of the Ursuline Sisters,

Over the years you have been very generous to us. Our lives and ministries have changed but you have remained faithful. Our mission today is “to make God known and loved” rather than individual works done by the Sisters which was the focus in the past. It is important to each of us that we continue to be true followers of Jesus, that we live out of the heart of Jesus and that no matter where we are or how old, we are we continue to offer a healing touch to those we meet so that God can be known and loved through us.

We are happy that with your support we are able to carry out that mission.

In this year of mercy, we are reminded over and over again of our Christian call “to bring good news to the poor, proclaim liberty to captives and the oppressed, and restore sight to the blind” (Prayer of Pope Francis for the Jubilee Year of Mercy). I know you try to do this in your life as we do in our lives.

In this issue you will read of the great work that New Ground, which was founded by our Sister Máiréad, does to make God known and loved. New Ground is celebrating its 25th Anniversary. You will also have our fiscal report for 2015 and notice of past and upcoming events. Enjoy the update and the wonderful photographs of our ministries in foreign provinces which are supported in part by the US Province.

As always, we remember you in our prayers and thank you for your continued generosity. May this Easter Season bring you new life so that you may continue to make a difference in our world.

Sister Catherine Talia,
Province Leader
New Ground programs are working. Over 80% of families have secured permanent housing upon leaving the program. International Financial Aid Fund

The Ursuline Sisters of Tildonk US Province is a part of a larger international congregation which includes provinces in Belgium, India, and the Democratic Republic of Congo as well as Sisters in Guyana and Canada. The International Financial Aid Fund was created to assist our international Sisters working in impoverished areas of the world. Our financial help supports projects that provide care for the sick, education for the poor, and healthy environments for our Sisters and their students. Our hope is to encourage sustainability, self-sufficiency and empower the poor.

This year’s IFAF funds went to support our Sisters educating poor children in India. Without our Sisters support and education these children stay home and work. They work in fields, graze cattle or take care of younger siblings. Most of their parents are illiterate and can not pay for them to go to school. The only way to improve the future of the children and their tribe is through educating the children. Children who have been taught by our Sisters have become pillars of their villages. They are now young men and women who know how to read and write. They have created self-help groups within their own villages, making life much better.
We are deeply grateful to the following donors who have joined the St. Angela’s Friendship Circle by making a commitment to give on a monthly basis. Their commitment to our community helps us ensure the security of our retired and infirm Sisters, as well as provide our Sisters the ability to serve in various ministries.

Women’s Spa Night Fundraiser

On Friday, February 26th and March 4th, the Ursuline Sisters held their annual Women’s Spa Night fundraisers benefitting the Ursuline Sisters’ retirement fund.

The women attending were able to participate in three different treatments and therapies and thoroughly enjoyed a night of relaxation and nourishment for the mind, body and spirit. Among the many choices were massage, facials, manucures, reflexology, hand and arm treatment, yoga, tai chi, nutrition and meditation. We also raffled off 16 baskets which primarily consisted of items that were donated by local businesses and individuals. Thanks to 44 practitioners who kindly gave of their time and talent to make the evening so memorable.
