Sr. Valerie Encourages Corporate Gun Policy Change

Sr. Valerie Heinonen has served for decades in corporate social justice and responsibility. Through the years, she pressed financial services firms to support affordable housing and defense contractors to limit weapons sales. She called on companies to protect the environment and human rights. She targeted corporate governance and executive compensation.

In January of 2018, Sr. Valerie, together with representatives of other religious orders and the Domestic and Foreign Mission Society of the Episcopal Church, met with the executives of Dick’s Sporting Goods following a shareholder resolution filed in December 2017 to persuade the company to take measures towards gun safety. The investors requested the Board report on measures taken to curb gun violence. The resolution also suggested that the company implement background checks on all gun and ammunition sales; support the establishment of federal universal background check systems; reevaluate policies regarding the sale, design or conversion of military-style assault weapons for civilian use; support federal gun trafficking regulation; promote restrictions on firearms and ammunition sales, transfers and possession to keep guns out of the hands of children, the mentally ill, criminals and domestic or international terrorists; as well as promote gun safety education at point of sale and in communities in which the company operates.

In February 2018, after Sr. Valerie’s meeting and the tragedy in Parkland, FL, the CEO of Dick’s Sporting Goods announced that the company would stop selling assault rifles, raise the minimum age for purchasers to 21, and no longer sell high-capacity magazines.

“It’s obvious that Dick’s Sporting Goods took our concerns to heart and seriously considered steps to address its role in this public health crisis,” said Sr. Valerie. “We are pleased with Dick’s Sporting Goods for their cooperation and willingness to take such a significant step toward ending gun violence.”

Sr. Valerie started her career in shareholder activism by chance when she responded to a posting for a job at the Interfaith Center on Corporate Responsibility, the then newly formed coalition for faith-based investors. Throughout her career, she pursued issues related to human trafficking of women and children, protection of the rights of
Dear Friends and Supporters of the Ursuline Sisters,

As we conclude the celebration of the 200th Anniversary of the Ursuline Sisters of Tildonk, I present to you our 2017 Annual Report with joy and gratitude. Your support and generosity this year, and in years past, have meant so much to us as we continue to address the challenges facing our Province. During the past year our community has gone through many changes...

St. Ursula Center has been on the market for over a year. We had a buyer, but that didn’t work out. The Bayport – Blue Point Public Library is very interested in purchasing our property. As this goes to print we are waiting for the library board to receive the reports about the property and to decide if they will put a vote for a bond issue to the taxpayers. We would love to see our property used for the library.

We suffered the loss of six Sisters from March to December – Sr. Carmel Ruth (March 13th), Sr. Margaret (Peggy) Kolm (April 4th), Sr. Agnes Seebach (August 3rd), Sr. Margaret Mary Feahilly (September 4th), Sr. Jean (Gabrielle) Redigan (September 5th), and Sr. Helen Chasse (December 28th). They are deeply missed, and we are grateful to each of them for all they did to make God known and loved during the course of their ministries.

The Sisters that moved to Maria Regina skilled nursing facility in Brentwood and to Braemar assisted living in Medford are settled in and doing well in their new homes. We have been awed by their ability to adjust to their new surroundings even though they believed they would spend their final days at St. Ursula Center.

Thank you for your generosity to us. Your interest in the Sisters and your commitment to helping us means so much. May God bless you and your families.

Sister Joanne Callahan, OSU
Province Leader

Sr. Joanne Callahan

The Ursuline Sisters and Associates of Tildonk strive to make God known and loved. We make a difference in society through the witness of our life profoundly rooted in God; a life of simplicity, harmony, mutuality and hospitality. (Mission Statement)

New Associates Make Their Covenants

This year the Sisters and Associates of the U.S. Province welcomed two new Associates.

Bonnie and Fred Bossert made their covenants at the annual Founders’ Day Celebration at St. Ursula Center in Blue Point, NY. Bonnie and Fred have enjoyed attending the Annual Holiday Craft Fair for years. Through attending these events Bonnie met Sr. Laurentine. Sr. Laurentine invited Bonnie and Fred to attend the annual Founders’ Day Celebration in 2016.

After attending Founders’ Day they decided to become Associates. “I prayed about it, spoke with Fred about it, and we attended Founders’ Day. It was wonderful! We met so many lovely people, all of whom were so welcoming! We learned so much about St. Angela and Fr. Lambertz, and shared in lots of memories of the Sisters and Associates. A great day!” said Bonnie.

Both started to meet and pray with the Associates twice a month. “Praying and sharing with everyone definitely affected our faith life and deepened our relationship with the Lord and with each other.”

On January 20, 2018, they gathered for a prayer service prepared by Sr. Mairead Barrett and Associates Barbara Tubito-Megara, Kathy Smith and Linda Siani. During the service Bonnie and Fred professed and signed their covenants, and were presented with the writings of St. Angela and the Ursuline Associate pin. “We are especially grateful to Sr. Laurentine, who gently invited us to “Come and See,” to the Sisters who helped prepare us, Sr. Agnes, Sr. Mairead, and Sr. Jamie, all of the Associates especially Linda, Barbara, and Kathy, and to the rest of the Ursuline Sisters, who have reached out to us in love and become our friends.”

The Sisters and Associates are grateful that God has called Bonnie and Fred to be their Associates. Please pray for them as they come to know St. Angela and Fr. John Lambertz.

indigenous persons and immigrants, fair treatment of workers, effects of weapons and militarism, environmental and human impacts of chemicals, and fair and equitable access to capital.

She serves as a corporate social responsibility consultant for her own congregation, as well as for the Dominican Sisters of Hope and the Sisters of Mercy of the Americas. Leveraging their equity ownership, Sr. Valerie regularly engages the board members of some of the world’s most powerful companies to lessen the social and environmental risks resulting from corporate operations and policies.

Sr. Valerie Heinonen said, “Part of what we are doing is planting seeds.” Valerie’s own words aptly describe her commitment to corporate social responsibility. She has “planted seeds” through countless dialogues and resolutions with companies, fearlessly encouraging them to be accountable for the impacts of their businesses.
The Congregation of the Ursuline Sisters of Tildonk celebrated the 200th anniversary of its foundation on April 30, 2018.

In planning for this Bicentennial, the Extended Council, all the Province Leaders and Vice-Provence of the Democratic Republic of Congo, as well as the Congregation Leaders expressed their desire to have the spirituality of the founder, Father John Lambertz’s studied and written down for posterity.

Two members of the Ursulines of Tildonk, Sister Placida Kispotta from the Ranchi Province and Sister Laurentine Morgan of the United States Province, were invited to accomplish this sacred task.

The opportunity allowed them to delve into the study of Father Lambertz’s spirituality, enabling them to share the deeply rich spirituality they uncovered with their readers in the publication, Anchored in God.

Anchored in God also provides historical background and the rich tradition of the Ursulines, daughters of Saint Angela Merici, as well as our particular branch of the Ursuline family tree known as the Ursulines of Tildonk. It connects the dots showing many similarities in the spiritualities shared by both St. Angela Merici and John Lambertz.

Father John Lambertz’s spirituality, founded on “Love” grounded in simplicity, humility, kindness and energized by prayer, fasting, and sacrifice was profoundly genuine. As such it serves as a lens through which we Ursuline Sisters and Associates of Tildonk can live the contemplative spirituality of the gospel in today’s world.

We look back to 1818 with gratitude, when in a little village of Tildonk, Belgium, under the inspiration of Father John Lambertz, three young women desired to give themselves to the education of children. It was on April 30, 1818, on Ascension Day when the Ursuline Sisters of Tildonk began their work.

After one year of spiritual preparation which began on April 30, 2017, with the opening of the 200th anniversary a Mass of Thanksgiving was celebrated in Scherpenheuvel. Scherpenheuvel is very significant in Ursuline history since Father Lambertz often made a pilgrimage to the miraculous shrine of our Lady of Montaigue.

We remember with gratitude those who have been our inspiration, St. Angela Merici, St. Marie of the Incarnation, Father John Lambertz and all our Sisters who have joined with the communion of saints. We also remember all those who accompany us every day in our mission of making God known and loved.

International Financial Aid Fund

The Ursuline Sisters of Tildonk, US Province is a part of a larger international congregation which includes provinces in Belgium, India, and the Democratic Republic of Congo as well as Sisters in Guyana and Canada. The International Financial Aid Fund was created to assist our international Sisters working in impoverished areas of the world. Our financial help supports projects that provide care for the sick, education for the poor, and healthy environments for our Sisters and their students. Our hope is to encourage sustainability, self-sufficiency, and empower the poor.

During the past year, the International Financial Aid Fund (IFAF) has once again made donations to our Ursuline Provinces in India and the Vice-Province of Congo. The IFAF fund is important to us as a Province, because in spite of diminishing membership in the United States, it enables us to aid “the Ursuline mission to continue to flourish in all the countries in which we minister”. (Guidelines of the IFAF Fund)

In 2017 partial tuition for medical school tuition was granted to two young Sisters from Ranchi Province, India. Sister Mariam Gari and Sister Jyotsna Kullu are currently enrolled in the College of Medicine, Manilla, Philippines. Upon completion of their studies, the Sisters will serve in one of the four hospitals run by our Sisters in the Indian provinces. The studies are very difficult and there is a long road of study ahead of them, but the Sisters are very enthusiastic and are grateful for the support through IFAF.

A new tractor was purchased for the Dorma community in Ranchi Province with the help of IFAF funds. Farming is a primary way of providing food for the Sisters, school children, boarders and workers. A tractor is a big time saver and very useful for planting and harvesting wheat, rice and various vegetables throughout the year. The tractor is also lent to neighboring farmers who in turn help the Sisters with the crops.

Contributions for the 2018 IFAF Appeal are greatly appreciated and may be sent to:
